

**Healthcare Management Technology
(A25200)**

Official Program Description registered with the NC Community College System:

The Healthcare Management Technology curriculum is designed to prepare students for employment in healthcare business and financial operations. Students will gain a comprehensive understanding of the application of management principles to the healthcare environment.

The curriculum places emphasis on planning, organizing, directing, and controlling tasks related to healthcare organizational objectives, including the legal and ethical environment. Emphasis is placed on the development of effective communication, managerial, and supervisory skills.

Graduates may find employment in healthcare settings including hospitals, medical offices, clinics, long-term care facilities, and insurance companies. Graduates are eligible to sit for the Certified Patient Account Manager (CPAM) and the Certified Manager of Patient Accounts (CMPA) examinations.

Program Learning Outcomes

The Associate of Applied Science degree in Healthcare Management Technology is designed to prepare students for employment in healthcare business and financial operations. Students will gain a comprehensive understanding of the application of management principles to the healthcare environment.

Graduates of this program will:

- Apply the basic management functions of planning, organizing, staffing, directing, and controlling within the healthcare environment.
- Build an extensive medical vocabulary and apply an understanding of basic anatomical systems to the interpretation of records and reports in a variety of medical settings.
- Understand the major types of insurance plans, apply standard coding guidelines, and process third-party claims.
- Demonstrate the ability to use business and medical software in the healthcare environment.
- Demonstrate the ability to communicate effectively through written, oral and other forms of communication.
- Develop team-building skills and participate as a member of a team.
- Think and plan strategically in making healthcare business decisions.
- Demonstrate knowledge of current medical law and accepted ethical behavior in the healthcare industry.

Degree Awarded

The Associate in Applied Science Degree-Healthcare Management Technology is awarded by Pitt Community College (PCC) upon completion of this program.

Note

Pitt Community College is the degree-granting institution, and all Healthcare Management Technology (HMT) courses must be taken there. All other courses can be taken at WCC.

For More Information
