

WAYNE COMMUNITY COLLEGE

**Criminal Justice Technology/Latent Evidence (A5518A)**

Latent Evidence is a concentration under the curriculum of Criminal Justice Technology. This curriculum is designed to provide knowledge of latent evidence systems and operations. Study will focus on local, state, and federal law enforcement, evidence processing and procedures.

Students will learn both theory and hands-on analysis of latent evidence. They will learn fingerprint classification, identification, and chemical development. Students will record, cast, and recognize footwear and tire-tracks; and process crime scenes. Issues and concepts of communications and the use of computers and computer assisted design programs in crime scene technology will be discussed.

Graduates should qualify for employment in a variety of criminal justice organizations especially in local, state, and federal law enforcement, and correctional agencies.

**Program Learning Outcomes**

Upon successful completion of the Criminal Justice Technology/Latent Evidence program, the graduate will be able to:

- Demonstrate a fundamental understanding of human behavior from a historical, criminological, and sociological perspective.
- Apply principles related to the diversity of people and cultures to laws and society.
- Demonstrate critical reasoning, problem-solving abilities, communications skills, and ethical concerns in criminal justice.
- Apply practical principles related to the respective professions in criminal justice.
- Perform detection, investigation, and enforcement procedures with a working knowledge of the laws.

**Degree Awarded**

The Associate in Applied Science Degree - Criminal Justice Technology/Latent Evidence is awarded by the College upon completion of this program.

**For More Information**

The Criminal Justice Technology program is in the Public Safety Division. Additional information can be obtained by calling (919) 735-5151, ext. 6800, or visit us at our web site at <http://www.waynecc.edu>.

**Admissions**

- A high school diploma or equivalent is required.
- A placement test in English, mathematics, reading and computer skills are required to determine entry-level courses that match individual needs.

**First Step To Enroll:**

Call the Admissions and Records Office at (919) 735-5151, ext. 6720.
