

**Autobody Structural Repair Certificate  
(C60100C)**

Official Program Description registered with the NC Community College System:

The Autobody Structural Repair curriculum provides training in the use of equipment and materials of the autobody structural repair trade. The student studies the construction of the automobile body and techniques of autobody repairing and rebuilding.

The course work includes autobody fundamentals, industry overview, and safety. Students will perform hands-on-repairs in the areas of structural repairs, mig welding, and other related areas.

Graduates of the curriculum should qualify for entry-level employment opportunities in the automotive body and refinishing industry. Graduates may find employment with franchised independent garages, or they may become self-employed.

**Certificate Awarded**

A Certificate in Autobody Structural Repair is awarded by the College upon completion of this program.

**Note**

Students are required to purchase tools, Personal Protective Equipment (PPE), and designated work attire. Approximate costs for these items can be obtained by calling the Autobody Repair department at (919) 735-5151, ext. 214 or 363. Students are required to adhere to strict safety and ethical practices.

**For More Information**

The Autobody Repair program is in the Applied Technology Division. For more information, call (919) 735-5151, ext. 214 or 363 or visit us at our web site at <http://www.waynecc.edu/autobody>.

**Admission**

A placement test in reading and computer skills are required to determine entry-level courses that match individual needs.

**First Step to Enroll:**

Call the Admissions and Records Office at (919) 735-5151, ext. 238.
