2005 Fall Schedule of Day and Evening Curriculum Classes; Distance Education Classes; Seymour Johnson AFB Schedule; and Continuing Education and Work Force Preparedness/Adult High School, GED, and English as a Second Language Class Schedule

Fall 2005

Wayne Community College is an Equal Opportunity/Affirmative Action College and accommodates the needs of individuals with disabilities. It is Wayne Community College's intent to make reasonable accommodations for persons with disabilities. If special assistance is needed, please give the college prior notice by calling (919) 735-5151, ext. 223.

Wayne Community College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (1866 Southern Lane, Decatur, Georgia 30033-4097, telephone number 404-679-4501) to award associate degrees.

Wayne Community College issues this schedule for the purpose of furnishing prospective students and other interested persons with information about the institution and its programs. Announcements contained herein are subject to change without notice and may not be regarded in the nature of binding obligations on the college or state. Efforts will be made to keep changes to a minimum, but changes in policy by the State Board of Community Colleges, the Community College System, or by local conditions may make some alterations in curriculums, fees, etc., necessary. For additional information, contact the college at (919) 735-5151 or visit our Web Site at www.waynecc.edu.

WCC 2005 FALL SCHEDULE OF COURSES

WAYNE COMMUNITY COLLEGE MISSION STATEMENT

Wayne Community College is a student-centered, public, two-year college with an open-door admissions policy. The College serves individuals, business and industry, and other organizations with quality, economical, convenient learning opportunities.

In order to fulfill our mission most effectively, the college strives to:

- a. Develop both personal and marketable skills in all students.
- b. Develop basic learning skills in all students.
- c. Enable students to continue their education at other institutions.
- d. Increase the global and cultural awareness of students and community.
- e. Provide for the training needs of local business and industry.
- f. Enhance the quality of life in the community.

ADMISSION INFORMATION Career Programs/Associate Degree/Diploma and Certificate Students

To enroll in a career (curriculum) program to earn an associate degree, a diploma, or certificate, follow these admissions procedures:

1. Request an application.
2. Return the completed application to the Office of Admissions and Records.
3. Request all high school and college transcripts to be mailed to the Office of Admissions and Records.
4. Complete placement testing and admissions interview.

When these procedures are completed you will be notified of your enrollment status.

Individual Courses/Special Students

Students who choose to take individual courses rather than commit to a career program are considered Special Students. Special Students may apply satisfactorily completed credit courses toward a degree or diploma at a later time if they wish.

ATTENTION MILITARY!

At Wayne Community College, our number one objective is "to give all students marketable skills." If you are military and about to be in transition to a civilian career, we would like to discuss some options with you.

WCC offers classes on base that transfer to four-year institutions, as well as those that lead to an Associate of Applied Science degree. On campus, we have more than four dozen curriculum programs in certificate, diploma, and associate degree areas, with a full range of support services and a reputation for quality.

Using your background in military technology, you can find promising opportunities in our technology-related programs that will prepare you for a civilian career in areas such as Aviation Systems Technology, Electronics Engineering, Drafting and Design, Industrial Systems, Information Systems, Network Administration and Support, and more.

Don't delay! Visit our campus on Wayne Memorial Drive, or contact Dwight Mayo or Dori Fraser on Base at 735-5151, ext. 721 or 722.

CIVILIANS WELCOME!

To have access to Seymour Johnson Air Force Base, civilian students need to get a Security Clearance Form from the WCC Office of Admissions and Records. The form must be COMPLETED and returned to the Admissions office by the deadline. **The deadline for Fall I is Monday, August 8 and for Fall II is Monday, October 10.** Students who apply after this date will not be guaranteed access to the base. If you have questions, please call our WCC/SJAFB office at 735-5151, ext. 721 or 722

DISTANCE EDUCATION INFORMATION

Distance education offers an alternative to the traditional classroom and is a convenient way for students seeking flexibility in their lives and class schedules to earn course credit. However, **Online Courses** have specific requirements and **are not** appropriate for every student. ***If you are considering taking a distance education course, please read all the information below. For Admissions and Records information, refer to page 2.*** **NOTE:** Online courses typically require the same amount if not more work and time as your face-to-face courses.

BLACKBOARD LOGINS

Your login will be your WCC Student ID number (not your social security number), this number is located directly under your name on the registration statement you receive when you register for classes. If your ID begins with zeros, drop the zeros when logging in. Your password is the last four digits of your Social Security Number. If you cannot locate your WCC Student ID please contact your advisor.

****Online courses will be available after 5 PM, Monday, August 15, 2005.** You must access the course site and complete initial assignments no later than **Wednesday, August 24, 2005**; for the Seymour Johnson courses, no later than **Thursday, August 18 - FALL I** and **Thursday, October 20 - FALL II****

Requirements for Online Courses:

- 1 - **Completed or tested out of RED 090, CIS 070**, and any other additional prerequisites for the course.
- 2 - Have a reliable Desktop or Laptop computer with Windows 95 or better.
- 3 - Have a reliable Internet connection with at least a 56K modem.
- 4 - Have and use a valid email address. Online courses require composing, sending and receiving email with attachments.
- 5 - Have and be able to compose and save files using **MS WORD**.
- 6 - Be able to use an Internet browser (Netscape 4.0 or higher or IE 4.0 or higher), conduct searches with various search engines, and download and/or upload files from the Internet.
- 7 - If needed, obtain or download additional software required for the course.
- 8 - Complete all coursework. In order to remain enrolled in the online course, **you must maintain academic progression.**

AOL USERS Caution: Blackboard and AOL are incompatible. Open AOL for your Internet connection, then minimize and use Internet Explorer or Netscape to access Blackboard.

TO ACCESS YOUR ONLINE COURSE:

NOTE: **Online courses will be available after 5 PM, Monday, August 15, 2005.** You must access the course site and complete initial assignments no later than **Wednesday, August 24, 2005**; for the Seymour Johnson courses, no later than **Thursday, August 18 - FALL I** and **Thursday, October 20 - FALL II*

Step 1 Go to the **www.waynecc.edu**

- Click **Blackboard Login** at the top.
- Click the **Login button** on the left.
- Your login is your WCC Student ID number (not your social security number).

You can find this ID number directly under your name on the registration statement you receive when you register for classes.

If your ID begins with zeros, drop the zeros when logging in. Your password is the last four digits of your Social Security Number. If you cannot locate your student ID number please contact your advisor.

- Your password is the last four digits of your social security number, the screen should say "Welcome, (Your name)."

Step 2 Edit your personal information, click the Personal Information link on the left side of the screen in the Tool Box area.

Step 3 To enter your course: At the Welcome Page on the right of the screen, your online course(s) will be listed in the My Courses Area. Click the blue title of the course(s). If you do not see the course(s) for which you have completed registration and paid tuition, please contact the admissions office.

Step 4 Read the welcome announcements. You must access the course site and complete initial assignments no later than **Wednesday, August 24, 2005**; for the Seymour Johnson courses, no later than **Thursday, August 18 - FALL I** and **Thursday, October 20 - FALL II****

•For additional information, such as the WCC Distance Education Student Handbook and Orientation, please visit the WCC Distance Education Website at: http://www.waynecc.edu/dist_ed/index.htm

If you would like to preview a WCC Blackboard course site:

- Go to <http://blackboard.waynecc.edu> . Click the Login button on the left and type “**wccguest**” for your user name and “**wccguest**” for your password.
- You will be directed to a guest “Welcome page.” Under the My Courses area, on the right, click the title of the Sample Guest Course to enter the course. Begin reading the information and use the buttons on the left to navigate through the course to read about each area.
- When you’re ready to exit the site or leave the computer, be sure to click the “**Logout**” button.

****Online courses will be available after 5 PM, Monday, August 15, 2005.** You must access the course site and complete initial assignments no later than **Wednesday, August 24, 2005**; for the Seymour Johnson courses, no later than **Thursday, August 18 - FALL I** and **Thursday, October 20 - FALL II****

DIVISION OF CONTINUING EDUCATION AND WORK FORCE PREPAREDNESS

Enrollment Requirements for Continuing Education Students

1. Each college shall maintain an open-door admission policy to all applicants who are high school graduates or who are at least 18 years of age. Student admission processing and placement determination shall be performed by the officials of each college. Admission requirements for an emancipated minor shall be the same as for an applicant 18 years old or older. Provisions with respect to admission of minors are set forth in Rule .0305 of this section.
2. Board of Trustees may adopt policies regulating admission and graduation of students enrolled in courses mandated under G.S. 17C, North Carolina Criminal Justice Education and Training Standards Commission, or G.S. 17E, North Carolina Sheriffs' Education and Training Standards Commission. These policies may limit enrollment to law enforcement officers or persons sponsored by law enforcement agencies and may require a student to maintain sponsorship by a law enforcement agency until completion of the program. Policies adopted pursuant to this paragraph shall be published and made available to students and prospective students.
3. A minor, 16 years old or older, may be considered a student with special needs and may be admitted to an appropriate program at a college if the local public or private educational agency determines that admission to the program is the best educational option for the students and the admission of such student to the program is approved by the college. This requirement may be waived if the student has been out of school at least six months and the application is supported by a notarized petition of the student's parent, legal guardian, or other person or agency having legal custody and control. The petition shall certify the student's residence, date of birth, date of leaving school, and the petitioner's legal relationship to the student.
4. A high school student, 16 years old or older, based upon policies approved by the local, public, or private Board of Education and Board of Trustees, may be admitted to appropriate courses, except adult high school, concurrently under the following conditions:
 - a. Upon recommendation of the chief administrative school officer and approval of the president of the college;
 - b. Upon approval of the student's program by the principal of the school and the president of the college;
 - c. Upon certification by the principal that the student is taking at least three high school courses and is making appropriate progress toward graduation.
5. High school students, taking courses pursuant to Paragraph (3), and (4) of this Rule, shall not be displaced adults but may be admitted any semester on a space-available basis to any curriculum or continuing education course. Once admitted, they shall be treated the same as all other students.

Important Student Information Awarding of Certificate

Effective Summer 2006, Continuing Education **will no longer issue certificates** to students who satisfactorily complete their work. Students may access their grades by using Web Advisor through our Campus Cruiser Portal. More information on how to access is available at {HYPERLINK "http://www.waynecc.edu"}, under the Adult Education link.

REFUND POLICY FOR CONTINUING EDUCATION COURSES

The refund policy for Continuing Education courses, as established by the N.C. State General Assembly, allows a 75% refund for classes that are scheduled to meet four times or less if the **student officially withdraws on or before the first session of class and requests the refund.**

For classes that meet five times or more, a 75% refund is allowed upon the request of a **student who officially withdraws on or before the official 10% point for the class.** Requests for refunds will not be considered after the 10% point.

A preregistered extension student who officially withdraws from an extension class(es) prior to the first day of class will be eligible for a 100% refund. There are no refunds for self-supporting community service classes after the first day of class.

This policy also applies to classes which start at times other than the beginning of a semester or term. For contact hour classes, the cutoff date for refunds will be 10 calendar days from the starting date of the class.

Under this policy, the college shall notify the student of the right to receive a refund at the time of official withdrawal.

Continuing Education and Work Force Preparedness 2005 FALL CLASS SCHEDULE

Continuing Education students may register early for classes in the Continuing Education Office (**Dogwood Building, Room 101**) or the first day of class as shown in the schedule. Some classes have limited enrollment and will be filled on first-come, first-served basis. **Please register early.** When: **July 25, 26, 27, 28, 29 from 9:00 am until noon and 1:00 pm until 7:00 pm. July 29 from 9:00 am until noon and 1:00 pm until 3:00 pm; and July 30 from 9:00 am until noon.**

Occupational Extension Courses: Occupational Extension courses are free to adults 65 years of age and older. *Note: No occupational extension class may be taken more than twice within a five-year period unless the student pays full cost of the course (\$5.20 x course hours, i.e. Course hours = 33 then take \$5.20 x 33 = \$171.60 registration fee.) Exact amount based on NC State Legislature approval.

**WAYNE COMMUNITY COLLEGE
EMS/FIRE CLASSES**

These classes will be open enrollment for each subject area.

Contact Jeff Bright, 735-5151, ext. 767, Debbie Harris, ext. 705 or James Farfour, ext. 301

Emergency Medical Technician - This EMT course is designed to train individuals to become Emergency Medical personnel. EMT Basic students must be 18 years of age or older and hold a High School Diploma or GED. Copy must be presented on the first night of class. Any student that does not hold a diploma will be required to take the Reading Placement and score **38** or greater. This must take place within 14 days of the first class.

Course requisite: All students enrolled in the EMT program **MUST** take a **Mid-Term Exam** and pass with an **80%** in order to continue in the program.

Paramedic Class Requirements - The Paramedic Program now has new requirements. Students must hold a high school diploma or a GED, take a reading comprehension at a post secondary level and successfully complete an Anatomy and Physiology course. OCCUPATIONAL EXTENSION COURSE REPETITION POLICY

A special provision of the State General Assembly concerning course repetition became effective in September of 1993. Under that provision, a student who takes an occupational extension course more than twice is required to pay a fee to be determined using the following computations. For example, the first and second time a student takes an occupational extension course, the fee will be based on the sliding scale. * The third time a student takes a class, the fee is the highest of the sliding scale or the number of hours the class meets times a fixed rate. The rate is determined annually by the legislature.

(*Sliding fee scale below.) (Senior citizens who are eligible to take classes free of charge will also be required to pay for classes they take more than twice.)

Students are primarily responsible for monitoring class repetitions; however, the college shall review records and charge students full cost for classes taken more than twice.

Students are exempt from this policy if their course repetitions are required for certification, recertification, or licensure.

OCCUPATIONAL EXTENSION *SLIDING FEE SCALE

1 to 10 hours	\$50.00	31 to 100 hours	\$60.00
11 to 30 hours	\$55.00	Greater than 100 hours	\$65.00

Check out our web site for specific course information; schedule updates.

CLASES DE INGLES

El departamento de Basic Skills ofrece clases de inglés como segundo idioma (ESL) en el campus y en otros sitios del Condado de Wayne. El programa ofrece tres niveles: principiante, intermedio y avanzado. Las clases están diseñadas para ayudar a mejorar la conversación, lectura y escritura de los estudiantes. Los instructores eligen materiales de acuerdo a la necesidad individual de cada alumno. También se ofrecen clases de ciudadanía y ESL para el trabajo.
