

§ 115D-55. Budget management.

(a) Approval of Budget by Local Tax-Levying Authority. – Not later than May 15, or such later date as may be fixed by the local tax-levying authority, the budget shall be submitted to the local tax-levying authority for approval of that portion within its authority as stated in G.S. 115D-54(b). On or before July 1, or such later date as may be agreeable to the board of trustees, but in no instance later than September 1, the local tax-levying authority shall determine the amount of county revenue to be appropriated to an institution for the budget year. The local tax-levying authority may allocate part or all of an appropriation by purpose, function, or project as defined in the budget manual as adopted by the State Board of Community Colleges.

The local tax-levying authority shall have full authority to call for all books, records, audit reports, and other information bearing on the financial operation of the institution except records dealing with specific persons for which the persons' rights of privacy are protected by either federal or State law.

Nothing in this Article shall be construed to place a duty on the local tax-levying authority to fund a deficit incurred by an institution through failure of the institution to comply with the provisions of this Article or rules and regulations issued pursuant hereto.

(b) Approval of Budget by State Board of Community Colleges. – After notification by the local tax-levying authority of the amount appropriated, the budget shall be submitted to the State Board of Community Colleges on a date designated by the State Board of Community Colleges for approval of that portion within its authority as stated in G.S. 115D-54(b). The State Board of Community Colleges shall approve the budget for each institution in such amount as the State Board decides is available and necessary for the operation of the institution.

The State Board of Community Colleges shall have authority to call for all books, records, audit reports and other information bearing on the financial operation of the institution except records dealing with specific persons for which the persons' rights of privacy are protected by either federal or State law.

Nothing in this Article shall be construed to place a duty on the State Board of Community Colleges to fund a deficit incurred by an institution through failure of the institution to comply with the provisions of this Article or rules and regulations issued pursuant hereto. (1981, c. 157, s. 1; 2001-112, s. 2.)

§ 115D-56. Final adoption of budget.

Upon notification of approval by the State Board of Community Colleges, the board of trustees shall adopt a budget resolution as defined in the budget manual as adopted by the State Board of Community Colleges, which shall comply with the resolution of the State Board and the appropriations of the tax-levying authorities and all other funding agencies. (1981, c. 157, s. 1.)

§ 115D-57. Interim budget.

In case the adoption of the budget resolution is delayed until after July 1, the board of trustees shall authorize the president, through interim provisions, to pay salaries and the other ordinary expenses of the institution for the interval between the beginning of the fiscal year and the adoption of the budget resolution. Interim provisions so made shall be charged to the proper allocations in the budget resolution. (1981, c. 157, s. 1.)

§ 115D-58. Amendments to the budget; budget transfers.

(a) The State Board of Community Colleges shall adopt rules and regulations governing the amendment of the budget for an institution. The board of trustees may amend the budget at any time after its adoption pursuant to the rules and regulations of the State Board.

(b) If the local tax-levying authority allocates part or all of an appropriation pursuant to G.S. 115D-55, the board of trustees must obtain approval of the local tax-levying authority for an amendment to the budget which increases or decreases the amount of that appropriation allocated to a purpose, function, or project by twenty-five percent (25%) or more from the amount contained in the budget ordinance adopted by the local tax-levying authority or such lesser percentage as specified by the local tax-levying authority in the original budget ordinance, so long as such percentage is not less than ten percent (10%).

(c) The board of trustees may, by appropriate resolution, authorize the president to transfer moneys from one appropriation to another within the same fund, subject to any limitations established by regulations adopted pursuant to this section, and subject to any limitations and procedures prescribed by the board of trustees or State for federal laws or regulations. Any such transfer shall be reported to the board of trustees at its next regular meeting and entered into its minutes. (1981, c. 157, s. 1.)

§ 115D-58.1. Federal contracts and grants.

The board of trustees of any institution may apply for and accept grants from the federal government or any agency thereof, in order to carry out the institution's mission. In exercising this authority, the board of trustees may enter into and carry out contracts with the federal government or any agency thereof, may agree to and comply with any lawful and reasonable condition attached to such a grant including, in the case of a grant from the Economic Development Administration, the granting of a security interest to the Economic Development Administration in any real property or equipment purchased with the grant, limiting the sale or use of the real property or equipment as prescribed by regulations of the Economic Development Administration, and may make expenditures from any funds so granted. The State Board of Community Colleges shall adopt rules and regulations governing the application for and the acceptance of grants under this section. (1981, c. 157, s. 1; 2001-211, s. 1.)
