Ms. Joyce Cherry, Interim President
Lenoir Community College
P.O. Box 188
Kinston, NC 28502-01 88

Dear Ms. Cherry:

This letter is in response to the collaborative agreement between Lenoir Community College (college approved to offer the curriculum) and Wayne Community College (participating college) for the **Global Logistics Technology (A25170) program**.

The agreement is acceptable as written and includes the essential information needed for a collaborative agreement as stated in 23 NCAC 2E.0604. A copy of the agreement is enclosed.

The participating college should now electronically enter the course(s) that they are allowed to teach under the terms of the agreement. This program of study will be electronically forwarded to the college approved to offer the curriculum for its review and approval before the System Office receives the curriculum for final review.

If the agreement becomes inactive, a letter of termination must be submitted by the President of Lenoir Community College to the Vice President of Academic and Student Services at the System Office. If you have any questions or need assistance, please contact Dr. Delores A. Parker at (919) 733-7051, extension 413.

Sincerely,

H. Martin Lancaster

This agreement sets forth the conditions agreed upon by Lenoir Community College (LCC) and Wayne Community College (WCC) whereby students may complete the Global Logistics Technology (GLT) degree program of study.

This agreement between Wayne Community College and Lenoir Community College will be effective Fall Semester 2003 and will remain in effect until mutually dissolved. Either party may terminate the agreement with written notification to the other party, six months before the beginning of a new semester.

Wayne Community College, hereafter referred to as WCC, and Lenoir Community College, hereafter referred to as LCC, do mutually and formally agree to the following:

1. This agreement shall apply specifically to courses required to complete the Global Logistics Technology degree curriculum.
2. Students must apply and be accepted at LCC into the Global Logistics Technology degree program at LCC.
3. All Global Logistics Technology degree program requirements will be offered by each college as prescribed in the attached program of study. WCC will furnish placement test scores as appropriate for existing WCC students.
4. LCC reserves the right to cancel low enrollment Logistics courses as appropriate. However, WCC may request that such classes be continued with the stipulation that WCC will reimburse LCC for any and all instructor costs beyond the instructor expenses covered by the LCC portion of the FTE earned by the course.
5. LCC will grant the Associate of Applied Science degree upon satisfactory completion of all program requirements completed by WCC students or other students taking part in this Global Logistics Technology degree program. LCC will transcript the grades for the LCC courses offered to WCC students through this agreement.
6. LCC will employ, pay, and evaluate instructors for Logistics concentration courses identified as LCC courses in this agreement and taught in Wayne County.
7. LCC will be responsible for determining and managing financial aid for eligible students. WCC students taking courses at LCC will provide the LCC financial aid office with a copy of their registrations and paid receipts. Consortium agreements will be initiated by LCC for WCC students taking

- courses provided by WCC and LCC included in the Global Logistics Technology program of study taught in Wayne County. Financial aid awards will be based on the total hours taught or taken at both schools.
8. WCC will designate a Global Logistics Technology advisor/coordinator to assist students in the program and collaborate with LCC on Global Logistics Technology issues.
 9. LCC and WCC will divide the FTE earned as follows:
 - a) LCC receives 100 percent of the FTE for all on-line/telecourses offered to WCC students by LCC through this agreement
 - b) FTE earned for courses taught by LCC on site in Wayne County in this agreement will be divided on a 65/35 percent basis with LCC earning the larger percentage.
 - c) FTE earned for courses taught by LCC via the NCIH or ITV delivery in this agreement will be divided 50/50 percent for the WCC students at each receive site in WCC's service area.
 10. LCC will provide all specialized Global Logistics Technology program instructional materials and equipment.
 11. LCC may communicate and promote the Global Logistics Technology program and benefits of participating in this agreement within the service area of participating colleges.
 12. The degree granting institution and participating colleges may include details of this agreement in their local publications, including the general catalog. All publications and advertisements for this program are to be reviewed and approved by LCC's Public Information Officer prior to publication.

Each college certifies that adequate resources are available to provide instruction under this agreement and that no supplemental funds will be required.

The Global Logistics Technology program standards are approved for LCC by the North Carolina State Board of Community Colleges and both LCC and WCC are accredited by the Southern Association of Colleges and Schools (SACS).
