

2015-2016 Household Resources Verification Worksheet for Dependent Students

Your 2015-2016 FAFSA was selected for review in a process called “**Verification.**” This process requires the Financial Aid Office to compare the information reported on your FAFSA with the information on this worksheet and any other required documentation. The law states that we have the right to ask for confirmation of this information before awarding and/or disbursing federal student aid. **Your eligibility for financial aid cannot be determined until the verification process is complete.**

You, and a parent whose information was reported on the FAFSA, must complete and sign this worksheet, attach any required documentation and submit the completed package to the WCC Financial Aid Office. If your parent was married or remarried on the day you signed your FAFSA, you must provide information for each parent/step-parent. If there are discrepancies between the information reported on your FAFSA and the documents submitted to our office, we will make the necessary corrections.

Additional information may be needed to complete your file. If you have any questions about the verification process, contact the Financial Aid Office as soon as possible to avoid a delay in processing your request for financial aid.
