# INFORMATION RELATING TO NORTH CAROLINA RESIDENCE FOR TUITION PURPOSES

North Carolina law (G.S. 116-143.1) requires that *"To qualify as a resident for tuition purposes, a person must have established legal residence (domicile) in North Carolina and maintained that legal residence for at least 12 months immediately prior to his or her classification as a resident for tuition purposes."* The information requested on this form must be supplied by every applicant for admission to WCC. This information is to be used only in connection with determination of your residence status for tuition purposes.

The law requires that every student admitted to the college be classified for the term admitted as either a resident or non-resident for tuition purposes, prior to enrollment. To be classified a resident for tuition purposes, you must furnish such evidence as the college may require to enable it to make such classification. Failure to provide all information requested will result in classification as a non-resident for tuition purposes.
