The types of financial assistance available for the summer term are limited compared to the fall and spring terms. Funds offered by the state of North Carolina are not available during the summer term. Federal Pell Grant eligibility is determined by the amount of funds you have remaining for the 2014-2015 academic year.

All aid is based on the results of your **2014-2015** FAFSA. If you have not already done so, please complete the 2014-2015 FAFSA online at www.fafsa.gov and submit any additional documentation requested by the Financial Aid Office.

Therefore, if you choose to register early, you will be responsible for paying your tuition by 12 p.m. May 8, 2015.

****SEE REVERSE FOR IMPORTANT DETAILS****

- To be eligible for financial aid, you must be accepted into an approved certificate, diploma, or associate degree program at WCC.
- Full-time status for the Summer Pell Grant is 12 or more credit hours.
- Pell Grant applicants must have remaining eligibility for the current academic year. ***If our office receives information from the federal database that you have exceeded your annual maximum because of aid received at another institution during the 2014-2015 academic year, you will be required to return all or a portion of the aid received from WCC.***
- As with fall and spring semesters, Pell Grant funds for summer are paid based upon enrollment status. Please remember financial aid funds will not pay for No-Shows (NA), Audits (AU), or Credits by Exam (X). If you are reported by your instructors as having received one of the above, your aid will be reduced or eliminated accordingly and you will be responsible for any outstanding charges on your account.
- If it becomes necessary to change your schedule after you have registered for the summer term, all adjustments must be made by **officially** dropping or withdrawing from the course(s) by the dates posted in the Summer Schedule of Courses. **Also, you should consult with the Financial Aid office to determine how any schedule adjustment will affect your financial aid award.**
- Financial aid funds will not pay for classes that fall outside of your primary major. If it is determined that you are taking classes that are not approved for your curriculum, your aid will be reduced or eliminated accordingly and you will be responsible for any outstanding charges on your account.
- **Tuition/Fees: Credit to account or Refund**
 - ◆ 100% of tuition will be refunded or credited to account for students who officially withdraw from classes before the first day of the term and no charges will be posted to the student's account.
 - ◆ 75% of tuition will be refunded or credited to account for students who officially withdraw from classes before the 10% point of the term. This means that the student will be financially responsible for the 25% portion of tuition not refunded, regardless of source of funding (*Pell Grant, scholarships, etc.*)
 - ◆ No refund or credit to account will be given for classes dropped after the 10% point of the semester. This means the student will be financially responsible for 100% of tuition and fees, regardless of the original source (*Pell Grant, scholarships, etc.*)
 - ◆ In the event that anticipated financial aid is **NOT** awarded, the student is responsible for any balance due on their account.
- Eligibility to receive a summer Pell Grant is based upon remaining eligibility for the 2014-2015 academic year, satisfactory academic progress, indebtedness to the college, attendance, and receipt of Pell Grant funds at another institution during the 2014-2015 academic year.
- All correspondence to students regarding summer financial aid awards will be sent to the address on file in the Office of Admissions and Records.
- Students who are **NOT** awarded the summer Pell Grant should make arrangements to pay any outstanding balance to the Business Office by 12:00 p.m. on May 8, 2015. ***Failure to pay outstanding balances by the due date will result in the cancellation of all registered classes.***
