2014-2015 Unusual Enrollment History (UEH) Form

Your 2014-2015 Free Application for Federal Student Aid (FAFSA) has been selected for review by the U.S. Department of Education due to your unusual enrollment history. An unusual enrollment history is defined as having attended and received federal Pell Grant funds from multiple institutions during the review period of 2011-2012, 2012-2013 and 2013-2014. WCC is required to ask you for additional information before determining your eligibility for federal student aid and to review your enrollment history and determine if you are enrolling only long enough to receive cash refunds of federal student aid. In the process of reviewing your enrollment history, the Financial Aid Office will check the National Student Loan Data System (NSLDS) for a complete history of the federal Pell grants you have received.
