MAT 143, 152, 171, 172, 263, 271, 272, 273

II. Other Required Hours (Select 49-50 SHC) - These electives may include any additional general education, college transfer, or technical courses. A maximum of 7 semester hours in health, physical education, college orientation, and/or study skills may be included as other required hours.

I have reviewed this information with my advisor and understand the course requirements that must be met to complete the program.

Student Signature

Advisor Signature

This degree is not intended for students who want to transfer to a four-year institution.

Although CHM 090 will meet the chemistry admission requirement for WCC's nursing program, it will not serve as a course in the Associate in General Education degree. Therefore, Financial Aid will not cover this course.

Students are required to demonstrate competency in MAT 070 or DMA 010-050 through the placement test or course completion with a grade of C or better prior to receiving a degree.
