Overview

IPEDS Student Financial Aid Component Overview - Public Academic Reporters

Welcome to the Student Financial Aid (SFA) component. The purpose of the SFA component is to collect information about financial aid provided to various groups of undergraduate students and military/veteran educational benefits for all students at your institution.

Data Reporting Reminders:

- Report data to accurately reflect the time period corresponding with the IPEDS survey component, even if such reporting is seemingly inconsistent with prior-year reporting.
- Undergraduate Student Groups
You will be asked to report information for different groups of students.
 - Group 1: All undergraduate students
 - Group 2: Of Group 1, full-time, first-time degree/certificate-seeking students (FTFT)
 - Group 3: Of Group 2, FTFT students who paid the lower of in-state/in-district tuition rate and were awarded any grant/scholarship aid from the federal government, state/local government, or the institution
 - Group 4: Of Group 2, FTFT students who paid the lower of in-state/in-district tuition rate and were awarded any Title IV federal student aid

*For public institutions, include only those students paying the in-state or in-district tuition rate. For program reporters, include only those students enrolled in the institution's largest program.

- COA Revisions
Revisions to Cost of Attendance (COA) used to calculate the net price of attendance can be made in this component. Consult the instructions and screens to make sure you are reporting the correct aid amounts for the correct groups of students.
- College Affordability and Transparency Lists
Net price amounts calculated in SFA will be used to populate the U.S. Department of Education's College Affordability and Transparency lists.
- Interactive Edits and Error Messages
SFA contains interactive edits that will check for blank fields, invalid values, or values that fall outside expected ranges. Some error messages will require you to confirm or explain the values that you entered. Some error messages are fatal and will require you to contact the IPEDS Help Desk at (877) 225-2568 for resolution.
- Context Boxes
You will find optional text boxes throughout SFA. Context boxes allow you to provide more information about the data you enter. Some of these context boxes may be made available to the public on College Navigator, so make sure that the information you enter can be understood easily by students, parents, and the general public.

Changes to reporting:

The following changes were implemented for the 2022-23 data collection period:

- Degree/certificate-seeking and non-degree/certificate-seeking data items were added in Parts A and B to disaggregate financial aid award amounts reported in Part B by these student categories.
- New FAQs were added to clarify concepts.
- Minor wording changes were made for clarification.

Resources:

- To download the survey materials for this component: [Survey Materials](#)
- To access your prior year data submission for this component: [Reported Data](#)

If you have questions about completing this survey, please contact the IPEDS Help Desk at (877) 225-2568.

Section 1: Comparison Chart

Comparison Chart

Reporting Reminders:

- Based on the information reported on the previous screens for Group 1 (all undergraduates) and Group 2 (full-time, first-time degree/certificate-seeking undergraduates), this comparison chart seeks to help institutions check their reported data. Assuming that the information on Groups 1 and 2 is correct, then the calculated fields for 'All Other Undergraduates' should be the balance (Group 1 minus Group 2). If the balance does not check with your institution's calculations, please correct your reported numbers for Groups 1 and 2 before moving forward with the completion of the SFA survey component.

Note:

- Data for the 'All Other Undergraduates' will appear in the IPEDS Data Center for data users, but not in College Navigator.

Section 1: Cost of Attendance

Cost of attendance for full-time, first-time undergraduate students

Reporting Reminders:

- Please enter the amounts requested below. These data will be made available to the public on College Navigator. If your institution participates in any Title IV programs (Federal Pell Grant, Federal Direct Loan, etc.), you must complete all information.
- Estimates of expenses for books and supplies, room and board, and other expenses are those from the **Cost of Attendance report** used by the financial aid office in determining financial need. Please talk to your financial aid office to get these numbers to ensure that you are reporting correctly.
- These numbers are carried forward from Institutional Characteristics and should only be changed if an error was made in the reporting.

Summary

IPEDS Student Financial Aid (SFA) Survey Summary

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the [Data Center](#) and sent to your institution's CEO in November 2023.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.

(Error #7317) This edit and explanation were retained from the prior year (for reference) and do not need to be re-explained in the current year edit report.	Explanation	Yes	
Reason	While we would normally expect the students in 4a to have more aid than those in 4b, the increase in adult students and decrease in traditional age students can skew the numbers when there are more single income/single person households. This can result in a reduction of the amount of need when compared to households with more than a single person.
