**ASSOCIATE DEGREE NURSING (ADVANCED STANDING OPTION)
SUMMER 2020 ADMISSION POLICIES AND PROCEDURES**

**INFORMATION IN THIS PACKET SUPERSEDES ALL PREVIOUSLY
PUBLISHED INFORMATION**

Thank you for your interest in the WCC Associate Degree Nursing (ADN) program. This information is intended for Licensed Practical Nurses (LPN) with a goal to transition into the ADN program. We will begin accepting applications for this program option starting **September 3, 2019**. For earliest consideration, the deadline for a completed application, receipt of all transcripts and/or letters verifying non-attendance, and completion of official interview is **November 7, 2019, by 4:00 p.m.**

Applicants completing all requirements after the November 7th deadline will be considered by the Limited Admissions Committee at subsequent meetings. Admission to the Associate Degree Nursing – Advanced Standing program option is a competitive process based on highest point count and dependent upon space being available in the program. *If you have questions or concerns, please call the Office of Student Development/Counseling Services at 919-735-5151, ext. 6732 or the Office of Admissions and Records at ext. 6726.*

Please use the following checklist to ensure you complete all admission requirements.

The applicant should complete and submit the following information to the Office of Admissions and Records:

- _____ 1. Submit an application for Associate Degree Nursing – Advanced Standing and Letter of Understanding to the Office of Admissions and Records. **A faxed application and Letter of Understanding will not be accepted.**

All students must have a valid RCN to submit application. To verify your RCN please visit ncresidency.org. If you have any questions please contact the Office of Admissions and Records at ext. 6720.

Note: If you are planning to take the general education requirements for Associate Degree Nursing-Advanced Standing in a semester prior to Spring 2020, also submit a general application to the college for Associate in General Education-Nursing to the Office of Admissions and Records.

Undocumented Immigrants

Federal law prohibits states from granting professional licenses to undocumented immigrants.

Undocumented immigrants shall not be considered a North Carolina resident for tuition purposes. Undocumented immigrants must be charged out-of-state tuition whether or not they reside in North Carolina.

Students lawfully present in the United States shall have priority over any undocumented immigrants in any class or program of study when there are space limitations.

- _____ 2. Request that an official high school transcript or equivalent and **ALL** college transcripts be sent to the Office of Admissions and Records. These transcripts must be requested by you from your former schools, colleges and/or universities and must be received by WCC before the application deadline in order to complete your application. **(Note: An official transcript is one that is sent by one school, college or university to another school. The official transcript has the school's seal and the appropriate signature. A faxed copy is not considered to be an "official" transcript).** If you are enrolled in the Summer 2019 semester, you will need to send an updated transcript by the November 7th deadline. If you have any Advanced Placement (AP), CLEP or DANTES credit, you must request the scores to be sent directly from the testing company.

It is the applicant's responsibility to make sure that all transcripts are up to date and on file in the Admissions Office by the published deadline. Failure to submit all transcripts to the Admissions Office by the published deadline will result in removal of the application from consideration or the applicant's dismissal from the program.

The National Student Clearinghouse is used to verify students' prior enrollment.

NOTE: Students with foreign transcripts must complete at least eight (8) semester hours of college credit (**not including pre-curriculum courses**) from an institution accredited by an American regional accrediting agency. **No transfer credit will be accepted from institutions not accredited by an American regional accrediting agency.**

3. Take the placement tests (Accuplacer/CPT, ASSET, COMPASS, NC DAP, or NROC, and Computer Skills) and meet the required minimum scores necessary for the Associate Degree Nursing program. The ten (10) year limit is waived for LPNs entering the Advanced Standing Associate Degree Nursing program option. Official placement scores can be sent from another school. **Note:** Official placement scores are ones that are sent by one school, college or university to another. The official placement scores are sent in a sealed envelope. Courses or minimum cut-off scores on placement tests are:

For Readmits Only: The ten (10) year limit is waived for applicants applying for admission to the Associate Degree Nursing – Advanced Standing program option.

4. Provide evidence of completion of high school or college chemistry within ten (10) years of the program start date (1/20) with a minimum grade of C. Chemistry taken before May

2010 must be retaken for a program starting Summer 2020. The Chemistry requirement must be completed before the final interview with Student Development. (See step # 6).

- _____ 5. (MANDATORY) The final step in the process is to complete an application review of all previous steps. This must be done with a WCC Counseling Services counselor in the WLC Building for referral to the Limited Admissions Committee for the year of application.

It is your responsibility to make sure the final review happens prior to the application deadline. It is not necessary to schedule an appointment for the final review. Walk ins are accepted.

Additional requirements for Practical Nurses seeking Advanced Standing:

- _____ 6. Submit a transcript reflecting graduation from an approved practical nursing program and grades of C or better in all courses.
- _____ 7. Current unencumbered license to practice as a Licensed Practical Nurse in North Carolina maintained throughout admission in the program. Failure to maintain an unencumbered nursing license will result in dismissal from the program
The Nursing Department will verify license.
- _____ 8. Take the Nursing Placement Test for entry into the Advanced Standing Alternative for Graduate Nurses Program. Nursing Placement Test scores are nontransferable, and apply only to admission consideration into the WCC Advanced Standing program. A minimum score of 78% is required for admission consideration. Study guide available upon request.
- _____ 9. Submit official transcript or equivalent reflecting completion of the following course (with a minimum grade of C).
BIO 168 Anatomy & Physiology I

NOTE: The Nursing Department will validate content in all Nursing courses taken at other colleges.

All of the above information must be completed and submitted to the Office of Admissions and Records.

Please do not submit unsolicited information such as personal recommendations or references. These materials are not used in the application process.

When the admission process is completed, a letter will be sent to each applicant informing him/her of the decision of the Admissions Committee.

Prior to final acceptance, applicants **must submit the Student Medical Form (with documentation of required immunizations)**. Health Forms will be provided by WCC after your conditional acceptance to the nursing program. **The Student Medical Form MUST BE COMPLETED and reviewed prior to the first day of classes.**

CRIMINAL BACKGROUND CHECKS

Affiliating clinical agencies with which the college has contracted to provide clinical experiences for nursing students require students to submit to criminal background check and drug screening prior to participation in clinical experiences at the site. The results of the background check and drug screen may determine if a student is eligible to enter clinical agencies. Students are responsible for the cost of the background check and drug screen.

1. Applicants should be aware that a student must be able to enter and/or remain in all clinical agencies to progress within the program. If a clinical site denies a student placement in their facility, the student would be unable to complete the required clinical component of the course. The student will be withdrawn from all NUR courses and will not be allowed to progress in the program.
2. Currently, the nursing program uses an online vendor for background checks and drug screening. Information on how to complete the process is included with the letter of acceptance to the program.
3. The background check and drug screening must be completed prior to start of NUR 112: Health-Illness Concepts. Failure to complete the process as specified will jeopardize enrollment in the program.

Applicants to the nursing program should be aware that if they have pled guilty to or have been convicted of a felony or misdemeanor (other than a minor traffic violation), the NC Board of Nursing may restrict or deny licensure. The NC Board of Nursing requires criminal history checks for each person applying to practice nursing in the state of North Carolina. Applicants will be charged a fee to offset the cost of the background check.

Cardio Pulmonary Resuscitation (CPR)

Nursing students must obtain current American Heart-BLS provider certification prior to the first day of class. Must stay current while enrolled in nursing classes.

Applicants who score 78% on the placement test and above will receive points as follows:

93%-100%	(6 points)
85%-92%	(4 points)
78%-84%	(2 points)

Note: Applicants may repeat the placement test one (1) time during each application period. If applicants repeat the placement test, the highest grade will be used to calculate total points.

3. GRADUATES OF WAYNE COMMUNITY COLLEGE PRACTICAL NURSING PROGRAM WILL RECEIVE 1 POINT.

4. SPACE AVAILABLE

The following “tiebreakers” will be used should more than one applicant accrue the same number of total points:

#1 tiebreaker: Total Course Work Points

#2 tiebreaker: Overall GPA

ASSOCIATE DEGREE NURSING – ADVANCED STANDING READMISSION POLICY

The readmission policy for the Associate Degree Nursing – Advanced Standing program option is as follows:

Any student failing within the first semester of an allied health limited admission program must apply as a new student in a subsequent academic year.

Because of the organization of the learning experiences in the Associate Degree Nursing – Advanced Standing program option, the course sequence may be offered only one time per year; therefore students requesting readmission to the Associate Degree Nursing – Advanced Standing program option will not be able to re-enter until the course is offered again. In addition to the Wayne Community College “Readmission Policy” listed on page 12 of the 2019-2020 Wayne Community College General Catalog, the student requesting readmission is subject to the following requirements.

1. The student must complete the admission process and submit an Updated Student Medical History, criminal background check, and drug screening.
2. The student must follow a prescribed program of knowledge and skill development based upon identified deficiencies as recommended by the program faculty and Department Chair.
3. Admission will be awarded on a space-available basis.
4. Readmissions will be limited to a maximum of one (1) time.

ASSOCIATE DEGREE NURSING

Official Program Description registered with the N.C. Department of Community Colleges:

Curriculum Description:

The Associate Degree Nursing curriculum provides knowledge, skills, and strategies to integrate safety and quality into nursing care, to practice in a dynamic environment, and to meet individual needs which impact health, quality of life, and achievement of potential.

Course work includes and builds upon the domains of healthcare, nursing practice, and the holistic individual. Content emphasizes the nurse as a member of the interdisciplinary team providing safe, individualized care while employing evidence-based practice, quality improvement, and informatics.

Grades of this program are eligible to apply to take the National Council Licensure Examination (NCLEX-RN). Employment opportunities are vast within the global health care system and may include positions within acute, chronic, extended, industrial, and community health care facilities.

Degree Awarded:

The Associate in Applied Science Degree – Associate Degree Nursing is awarded by the College upon completion of this program.

Note:

Students must earn a grade of C or better in all curriculum courses in order to progress in the program.

In addition to tuition and textbooks, cost of this program includes a watch with a second hand, latex-free blood pressure cuff and stethoscope, bandage scissors, penlight, uniforms, shoes, lab coat, physical examination, immunizations, fees for application for criminal background checks/drug screen, testing and assessment fees, and licensure for the North Carolina State Board of Nursing and National Council Licensure Examination.

This nursing education program is approved by the North Carolina Board of Nursing and accredited by the Accreditation Commission for Education in Nursing.

Student Success and Retention

Student retention and success are a priority at Wayne Community College. Obstacles to success may include the academic rigor of the program, extracurricular demands or dissatisfaction with your choice of this career path. Job shadowing should be strongly considered so that you are keenly aware of the professional responsibilities and duties associated with your career choice. Extracurricular demands such as full time work schedules may also need to be reduced in order to allow the necessary study time required to be successful. A good support system is also important if you are involved in other extracurricular demands such as providing care for children or elders.

WAYNE COMMUNITY COLLEGE NURSING PROGRAM TECHNICAL STANDARDS

Nursing is a practice discipline with cognitive, sensory, affective and psychomotor performance requirements. For purposes of nursing program compliance with the 1990 Americans with Disability Act, a qualified individual with a disability is one who with or without reasonable accommodation or modification, meets the essential eligibility requirements for participation in the nursing program.

Admission to and progression in the nursing program is not based on these standards. Rather, the standards should be used to assist each student in determining whether accommodations or modifications are necessary. Standards provide an objective measure upon which a student and the advisor base informed decisions regarding whether a student is “qualified” to meet requirements. It is the responsibility of the applicant to read the technical standards carefully and to ask for clarification of any standard that is not understood.

If a student believes that he or she cannot meet one or more of the standards without accommodations or modifications, the nursing faculty will determine on an individual basis, whether or not the necessary accommodations or modifications can be made reasonable.

TECHNICAL STANDARDS

Nursing students should possess and be able to demonstrate the following:

1. **Critical Thinking:** critical thinking ability sufficient for clinical judgment. For example, student must be able to identify cause-effect relationships in actual or simulated clinical situations; analyze data; develop or participate in the development of nursing care plans.
2. **Interpersonal Skills:** interpersonal abilities sufficient to interact with individuals, families and groups from a variety of social, emotional, cultural and intellectual backgrounds. For example, student shall establish rapport with patients/clients, families and colleagues.
3. **Communication Skills:** communication abilities sufficient for interaction with others in verbal and written form. For example, collect assessment data, explain treatment procedures, initiate health teaching, document and interpret nursing actions and patient/client and family responses.
4. **Physical Abilities:** physical abilities sufficient to move from room to room and maneuver in small spaces. For example, move around in patient/client’s rooms, work spaces and treatment areas; administer cardio-pulmonary procedures.
5. **Gross and Fine Motor Abilities:** gross and fine motor abilities sufficient to provide safe and effective nursing care. For example, move, calibrate and use equipment and supplies; lift, transfer and position mobile and immobile patients/clients.
6. **Auditory Ability:** auditory ability sufficient to assess and monitor health needs. For example, hear monitor alarms, emergency signals, auscultator sounds and cries for help.
7. **Visual Ability:** visual ability sufficient for physical assessment, performance of

nursing procedures and maintenance of environmental safety. For example, observe patient/client responses such as skin color, facial expression and specimen color.

8. **Tactile Ability:** tactile ability sufficient for physical assessment and performance of nursing procedures. For example, perform palpation, functions of physical examination and/or those related to therapeutic intervention, e.g. insertion of catheters.
9. **Emotional Stability and Mental Alertness:** emotional stability and mental alertness sufficient in performing nursing care. For example, maintain a calm and efficient manner in high stress situations with patients/clients, families and colleagues.

EXAMPLES ARE NOT ALL INCLUSIVE

WAYNE COMMUNITY COLLEGE COMMUNICABLE DISEASE POLICY OF STUDENTS

Wayne Community College is committed to assuring that all necessary training and precautions are taken with regard to communicable diseases. The Biohazard Exposure Control Plan and the Pandemic Preparedness Plan of Wayne Community College reflect our efforts to ensure the good health and safety of all employees and students. The College adopts this communicable disease policy for students in an effort to control communicable diseases and the threat of pandemics on campus based upon established rules and regulations of the N.C. Division of Health Services. Employees and employees of contractors or contracted services infected with a communicable disease have the responsibility of reporting this fact to the Director of Human Resources. Students infected with a communicable disease have the responsibility of reporting this fact to the Associate Vice President of Academic and Student Services or the Vice President of Continuing Education, as appropriate.

Communicable Disease shall include, but is not limited to: Chickenpox, Infectious Mononucleosis, Conjunctivitis, Hepatitis A, B & D, Acquired Immune Deficiency Syndrome (AIDS), Aids-related complex (ARC), positive HIV antibody status, Influenza, Measles, Meningitis, Tuberculosis, Whooping Cough, and sexually transmitted diseases.(N.C.G.S. 130A)

Persons who are infected with a communicable disease are expected to seek expert medical advice and are encouraged to advise local health authorities. Local health authorities should offer counseling to these persons about measures that can be taken to prevent the spread of infection and to protect their own health.

Persons who know, or have a reasonable basis for believing, that they are infected with a communicable disease have an ethical and legal obligation to behave in accordance with such knowledge to protect themselves and others. Medical information relating to the communicable disease of a student or employee will be disclosed to responsible college officials only on a strictly limited need-to-know basis. No person, group, agency, insurer, employer, or institution should be provided any medical information without the prior specific written consent of a student unless required by state and/or federal law. Furthermore, all medical information relating to the communicable diseases of students and employees will be kept confidential, according to state and federal law, including the Family Education Rights and Privacy Act.

If a student reports a communicable disease condition, the student may be excluded from the institution until an appropriate evaluation of the student's medical condition can be made. The evaluation may be made by a physician or a health department official and testing may be required if appropriate. Students in any Allied Health program may have additional requirements, as specified in each program's student handbook; therefore, these students should report all suspected communicable diseases.

The final determination of student's ability to remain in school will be made by the Vice President or Associate Vice President based upon professional medical evaluation results and recommendations. If a student is found to have a communicable disease, then the attendance of the student on campus or at any College activity will be prohibited until a satisfactory letter or certificate is obtained from one or more licensed physicians or public health officials stating that the student is not a health risk to employees and other students at the College.

The College's Biohazard Control Plan defines guidelines that will be followed in the event of an accidental exposure to bodily fluids or biohazards. Any such exposure should be reported immediately to the responsible faculty or staff person associated with the WCC activity involving such exposure and to the Student Activities Coordinator and an incident report must be completed.
