ASSOCIATE DEGREE NURSING

Fall Semester 2022 Admission Policies and Procedures

This application packet can be accessed at:
<http://www.waynecc.edu/wp-content/uploads/adn.pdf>

This information supersedes all previously published information.

Apply September 1, 2021 – March 1, 2022 for earliest consideration.

Applications received after March 1, 2022 will be considered on a monthly basis. Applicants may apply for only one limited health occupations program per semester.

It is the policy of Wayne Community College that all persons have equal opportunity and access to its educational programs, services, activities, and facilities without regard to race, religion, color, sex, age, national origin or ancestry, marital status, parental status, sexual orientation, disability or status as a veteran. WCC is an Affirmative Action institution. This material may be available in alternative formats.

Wayne Community College is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award associate degrees, diplomas, and certificates. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, 404-679-4500, <http://www.sacscoc.org> for questions about the accreditation of Wayne Community College. Inquiries about Wayne Community College, such as admission requirements, financial aid, educational programs, etc. should be addressed directly to Wayne Community College and not the Commission's office.

The Commission on Colleges may be contacted only if there is evidence that Wayne Community College is significantly non-compliant with a requirement or standard. Accreditation standards are located at: <http://www.sacscoc.org/principles.asp>

The purpose for publishing the Commission's access and contact numbers is to enable interested constituents (1) to learn about the accreditation status of the institution, (2) to file a third-party comment at the time of the institution's decennial review, or (3) to file a complaint against the institution for alleged non-compliance with a standard or requirement.

Inquiries about Wayne Community College, such as admission requirements, financial aid, educational programs, etc. should be addressed directly to Wayne Community College and not the Commission's office.

Student Right-to-Know: Information regarding the persistence rate of enrolled students toward graduation and transfer-out-rate is available in the Office of Admissions and Records. Student rights under FERPA are available at ed.gov/policy/gen/guid/fpco/ferpa/index.html or in the Office of Admissions and Records and in the Office of Counseling Services.

**ASSOCIATE DEGREE NURSING
FALL 2022 ADMISSION POLICIES AND PROCEDURES**

**INFORMATION IN THIS PACKET SUPERSEDES ALL PREVIOUSLY
PUBLISHED INFORMATION**

Thank you for your interest in the Associate Degree Nursing (ADN) program. We will begin accepting applications for the ADN program starting **September 1, 2021**. Admission to the Associate Degree Nursing program is a competitive process based on highest point count. Students interested in enrolling in the Associate Degree Nursing program for Fall 2022 semester must submit a completed application, all transcripts and/or letters verifying non-attendance, and official interview by **March 1, 2022 by 4:00 p.m.** for consideration at the first meeting of the Limited Admissions Committee. Applicants completing all requirements after the March 1st deadline will be considered by the Admissions Committee at subsequent meetings until the program is filled.

Please note: The Associate Degree Nursing program consistently fills quickly. Failure to meet the initial March 1st deadline is likely to adversely affect your chance of being admitted in the current year. If you have questions or concerns, please call the Office of Student Development/Counseling Services at 919-735-5151, ext. 6732 or the Office of Admissions and Records at ext. 6726.

Please use the following list to ensure you complete the admissions requirements.

The applicant should complete and submit the following information to the Office of Admissions and Records:

1. Submit an application for Associate Degree Nursing and Letter of Understanding to the Office of Admissions and Records. **A faxed application and Letter of Understanding will not be accepted.**

All students must have a valid RCN to submit application. To verify your RCN please visit ncresidency.org. If you have any questions please contact the Office of Admissions and Records at ext. 6720.

Note: If you are planning to take the general education requirements for Associate Degree Nursing in a semester prior to Fall 2022, also submit a general application to the college for Associate in General Education-Nursing to the Office of Admissions and Records.

Undocumented Immigrants

- Federal law prohibits states from granting professional licenses to undocumented immigrants.
- Undocumented immigrants shall not be considered a North Carolina resident for tuition purposes. Undocumented immigrants must be charged out-of-state tuition whether or not they reside in North Carolina.
- Students lawfully present in the United States shall have priority over any undocumented immigrants in any class or program of study when there are space limitations.

2. Request that an official high school transcript or equivalent and **ALL** college transcripts be sent to the Office of Admissions and Records. These transcripts must be requested by you from your former schools, colleges and/or universities and must be received by WCC before the application deadline in order to complete your application. **(Note: An official transcript is one that is sent by one school, college or university to another school. The official transcript has the school's seal and the appropriate signature. A faxed copy is not considered to be an "official" transcript).** If you are enrolled in the Fall 2021 semester, you will need to send an updated transcript by the March 1st deadline. If you

have any Advanced Placement (AP), CLEP or DANTES credit, you must request the scores to be sent directly from the testing company.

The National Student Clearinghouse is used to verify students' prior enrollment.

It is the applicant's responsibility to make sure that all transcripts are up to date and on file in the Admissions Office by the published deadline. Failure to submit all transcripts to the Admissions Office by the published deadline will result in removal of the application from consideration or the applicant's dismissal from the program.

NOTE: Students with foreign transcripts must complete at least eight (8) semester hours of college credit (**not including pre-curriculum courses**) from an institution accredited by an American regional accrediting agency. **No transfer credit will be accepted from institutions not accredited by an American regional accrediting agency.**

3. A. Meet Math proficiency with one of the following:

Please plan ahead as Allied Health applicants are not permitted to take placement tests on the application deadline date.

For Readmits Only: The ten (10) year limit for GPA and test scores is waived for Associate Degree Nursing applicants applying for admission into the Associate Degree Nursing program.

4. Complete the **ACT Assessment Test that is required in the selection process for the Associate Degree Nursing program. Registration information can be obtained online at www.act.org or by phone at 319-337-1270. Registration information can also be obtained from the Office of Student Development/Counseling Services at Wayne Community College and from area high school guidance counselors. ACT test scores must be within ten (10) years of the program start date August 2022. ACT tests taken before August 2012 must be retaken for a program starting August 2022. ACT scores taken within the last ten (10) years from other institutions may be reported to Wayne Community College**

(College Code # 3171). These scores must be sent directly from the ACT testing center to Wayne Community College or included on or with an official, sealed high school transcript. Copies, web scores, reproductions or faxes will not be accepted. Official scores are ones sent by ACT, or sent by one school, college, or university to another. Non-official scores will not be accepted. The Office of Admissions and Records must receive ACT scores prior to the Official interview deadline. The ten (10) year limit is waived for applicants applying for readmission to the Associate Degree Nursing program.

- 5. Provide evidence of completion of high school or college chemistry within ten (10) years of the program start date (8/22) with a minimum grade of C (college or high school) or PC 19 (high school). Chemistry taken before August 2012 must be retaken for a program starting Fall 2022. The Chemistry requirement must be completed before the final interview. (See step # 6).

- 6. (MANDATORY) The final step in the process is to complete an application review of all previous steps. This must be done with a Career Pathways Specialist in the WLC Building for referral to the Limited Admissions Committee for the year of application.

It is your responsibility to make sure the final review happens prior to the application deadline. It is not necessary to schedule an appointment for the final review. Walk ins are accepted.

Please do not submit unsolicited information such as personal recommendations or references. These materials are not used in the application process.

When the admission process is completed, a letter will be sent to each applicant informing him/her of the decision of the Admissions Committee.

Upon acceptance, applicants **must submit the Student Medical Form (with documentation of required immunizations)**. Health Forms will be provided by WCC after your conditional acceptance to the nursing program. **The Student Medical Form MUST BE COMPLETED and reviewed prior to the first day of class.**

CRIMINAL BACKGROUND CHECKS

Affiliating clinical agencies with which the college has contracted to provide clinical experiences for nursing students require students to submit to criminal background check and drug screening prior to participation in clinical experiences at the site. The results of the background checks and drug screen may determine if a student is eligible to enter clinical agencies. Students are responsible for the cost of the background check and drug screen.

1. Applicants should be aware that a student must be able to enter and/or remain in all clinical agencies to progress within the program. If a clinical site denies a student placement in their facility, the student would be unable to complete the required clinical component of the course. The student will be withdrawn from all NUR courses and will not be allowed to progress in the program.
2. Currently the nursing program uses an online vendor for background checks and drug screening. Information on how to complete the process is included with the letter of acceptance to the program.
3. The background checks and drug screening must be completed by the specified date prior to the start of the semester in which the student enrolls. Failure to complete the process as specified will jeopardize enrollment in the program.
4. Any criminal charge or conviction that occurs subsequently to the criminal background check must be communicated in writing to the Director of Counseling Services within five days after such charge or conviction has been entered by the court, notwithstanding the pendency of any appeal (excluding minor traffic-related violations) before the next scheduled clinical day if clinical occurs before the five days noted above. Failure to report charges or convictions will result in a violation of academic integrity and may result in dismissal from the program. A new criminal background check and/or drug screen will be requested at this time at the expense of the student.

Applicants to the nursing program should be aware that if they have pled guilty to or have been convicted of a felony or misdemeanor (other than a minor traffic violation), the NC Board of Nursing may restrict or deny licensure. The NC Board of Nursing requires criminal history checks for each person applying to practice nursing in the state of North Carolina. Applicants will be charged a fee to offset the cost of the background check.

Cardio Pulmonary Resuscitation (CPR)

Nursing students must obtain current American Heart Association (AHA) – Basic Life Support (BLS) Provider certification prior to the first day of class. Must stay current while enrolled in nursing classes. Note: AHA BLS certification must have included a “hands-on” skills demonstration component to be accepted. Students are required to show proof of current certification.

SELECTION CRITERIA FOR THE ASSOCIATE DEGREE NURSING PROGRAM

The following criteria will be used in the competitive admission process to calculate the total point count:

- 1. ACT TEST SCORES:** The Office of Admissions and Records must receive ACT scores prior to the application deadline date. ACT scores must be within ten (10) years of the program start date (8/22). ACT scores taken before August 2012 must be retaken for a program starting Fall 2022. The ten (10) year limit is waived for applicants applying for readmission to the Associate Degree Nursing program.
(Maximum of 70 points)

Score	Points	Score	Points	Score	Points	Score	Points
English (0-15) = 0		(16-19) = 20		(20-23) = 25		(24-36) = 30	
Reading (0-15) = 0		(16-20) = 10		(21-24) = 15		(25-36) = 20	
Math (0-15) = 0		(16-19) = 5		(20-23) = 7		(24-36) = 10	
Science (0-17) = 0		(18-20) = 5		(21-23) = 7		(24-36) = 10	

- 2. GRADES FROM COMPLETED COLLEGE COURSE WORK:** The following courses or equivalents will be considered.

BIO 168	Anatomy and Physiology I
BIO 169	Anatomy and Physiology II
BIO 175	General Microbiology
ENG 111	Expository Writing
ENG 112	Literature – Based Research
PSY 150	General Psychology
PSY 241	Developmental Psychology

Points will be allotted as follows:* **(Maximum of 42 points)**

(A-, A, A+)	6 points
(B-, B, B+)	4 points
(C, C+)	2 points

* The highest earned grade for each course will be used to calculate total points.

The following “tiebreakers” will be used should more than one applicant accrue the same number of total points:

- #1 tiebreaker: ACT English Score
- #2 tiebreaker: ACT Reading Score
- #3 tiebreaker: ACT Scientific Reasoning Score
- #4 tiebreaker: ACT Math Score

READMISSION POLICY

Because of the organization of the learning experiences in the Nursing Programs, the course sequence may be offered only one time per year; therefore, students requesting readmission to the nursing program will not be able to re-enter until the course is offered again. In addition to the *WCC Catalog and Student Handbook* "Readmission Policy", the student is subject to the following:

1. Complete the admission process and submit an updated Student Medical History and Physical Exam Form.
2. Follow a prescribed program of knowledge and skill development based upon identified deficiencies as required by faculty and the Nursing Department Chair.
3. Students that withdraw or do not progress from the first semester of the nursing program must reapply as a new student in a subsequent academic year.
4. Students that withdraw or do not progress from the second semester or any subsequent semester must reapply in a subsequent academic year for readmission into the semester that was not successfully completed. Returning students will be required to successfully audit the preceding NUR course(s) in which they are requesting readmission. Refer to the *WCC Nursing Student Manual* "Auditing Policy".
5. An audit contract will be developed, and specifics of the contract must be satisfactorily met prior to readmission into the nursing program.
6. Advanced Standing Alternate for LPN students must maintain an unencumbered license to practice as an LPN in the state of NC while enrolled in the ADN program.
7. Admission is a competitive process based on total point count, successful completion of audit requirements, provision of documentation of required immunizations and health forms, current certification in American Heart Association Basic Life Support CPR, and space availability.
8. Because readmission is based upon space availability, the selection criteria for the limited admissions process (point system) for the respective program will be utilized to rank applicants in order of admission priority.
9. Readmission will be limited to a maximum of one time per nursing program. Auditing a nursing course does not constitute an admission into the nursing program.

TRANSFER CREDIT

Educational work taken at an accredited institution in which a grade of "C" or better was earned may be accepted in transfer. Credits for transfer courses are not used in the computation of the student's grade point average in the student's program at Wayne Community College. Questions concerning transfer credit should be directed to the Office of Admissions and Records.

Students requesting transfer credit must meet all minimum admission criteria for the respective nursing program as outlined in the application for admission and must have completed all previous general education pre/corequisites required for the course they are requesting admission prior to admission. Requests for transfer credit for NUR courses are submitted to the Nursing Department Chair. Course descriptions and syllabi describing course content and credit hours of the applicant's coursework are compared with that of the WCC Curriculum. Credit is approved at the discretion of the Nursing Department Chair. Students with approved transfer credits may be required to successfully audit previous NUR courses and demonstrate competency in preceding course learning outcomes prior to enrolling in the nursing program. (Refer to *WCC Nursing Student Manual* "Auditing Policy") An official transcript of work completed at other colleges and/or universities must be sent to the Office of Admissions & Records before consideration of transfer credit. Course credit, including

transfer credit, must meet requirements as outlined in the Graduation Requirements policy in the *WCC Catalog and Student Handbook* for a student to be eligible for graduation from any nursing program. Students requesting transfer into a nursing program must complete the admission process as outlined in the program's admission packet. Admission into a nursing program is limited and is a competitive process. Decisions for admission are based on total point count, provision of documentation of required immunizations and health forms, completion of criminal background checks and drug screening, current certification in American Heart Association Basic Life Support CPR, and space availability.

AUDITING POLICY

A student seeking re-admission or transfer into the Nursing Program will be required to audit the NUR course(s) which precede the point of entry or re-entry. The student must have the approval of the Department Chair to audit any NUR course. Permission to audit is based on space availability. The auditing student must register for the course and pay the regular tuition rate. The auditing student must abide by all College and Department policies and is subject to all requirements as stated in the course syllabus. Auditing students are not permitted to attend clinical components of a NUR course. The Nursing Department Chair designs individual Audit Contracts which identify the specific student responsibilities required to receive a grade of "AU". Audit contracts are designed to promote success of the student. The auditing student must successfully complete the course as per requirements in the audit contract and course syllabus to be admitted or readmitted into the nursing program. Successfully auditing a course is defined as attendance of class and lab according to the *Nursing Student Manual* Attendance Policy, achieving a final grade of at least a "C", and completion of all required components of the course. Auditing a NUR course does not guarantee admission into the nursing program. Refer also to the Auditing Policy in the *WCC Catalog and Student Handbook*.

Student Success and Retention

Student retention and success are a priority at Wayne Community College. Obstacles to success may include the academic rigor of the program, extracurricular demands or dissatisfaction with your choice of this career path. Job shadowing should be strongly considered so that you are keenly aware of the professional responsibilities and duties associated with your career choice.

Extracurricular demands such as full time work schedules may also need to be reduced in order to allow the necessary study time required to be successful. A good support system is also important if you are involved in other extracurricular demands such as providing care for children or elders.

ASSOCIATE DEGREE NURSING

Official Program Description registered with the N.C. Department of Community Colleges:

Curriculum Description:

The Associate Degree Nursing curriculum provides knowledge, skills, and strategies to integrate safety and quality into nursing care, to practice in a dynamic environment, and to meet individual needs which impact health, quality of life, and achievement of potential.

Course work includes and builds upon the domains of healthcare, nursing practice, and the holistic individual. Content emphasizes the nurse as a member of the interdisciplinary team providing safe, individualized care while employing evidence-based practice, quality improvement, and informatics.

Graduates of this program are eligible to apply to take the National Council Licensure Examination (NCLEX-RN). Employment opportunities are vast within the global health care system and may include positions within acute, chronic, extended, industrial, and community health care facilities.

Degree Awarded:

The Associate in Applied Science Degree – Associate Degree Nursing is awarded by the College upon completion of this program.

Note:

Students must earn a grade of C or better in all curriculum courses in order to progress in the program.

In addition to tuition and textbooks, cost of this program includes a watch with a second hand, latex-free blood pressure cuff and stethoscope, bandage scissors, penlight, uniforms, shoes, lab coat, physical examination, immunizations, fees for application for criminal background checks/drug screen, and licensure for the North Carolina State Board of Nursing and National Council Licensure Examination. Additional fees for ATI NCLEX preparatory program are assessed every semester.

**WAYNE COMMUNITY COLLEGE
NURSING PROGRAM TECHNICAL STANDARDS**

Nursing is a practice discipline with cognitive, sensory, affective and psychomotor performance requirements. For purposes of nursing program compliance with the 1990 Americans with Disability Act, a qualified individual with a disability is one who with or without reasonable accommodation or modification, meets the essential eligibility requirements for participation in the nursing program.

Admission to and progression in the nursing program is not based on these standards. Rather, the standards should be used to assist each student in determining whether accommodations or modifications are necessary. Standards provide an objective measure upon which a student and the advisor base informed decisions regarding whether a student is "qualified" to meet requirements. It is the responsibility of the applicant to read the technical standards carefully and to ask for clarification of any standard that is not understood.

If a student believes that he or she cannot meet one or more of the standards without accommodations or modifications, the nursing faculty will determine on an individual basis, whether or not the necessary accommodations or modifications can be reasonably made.

NURSING PROGRAM TECHNICAL STANDARDS

Nursing students should possess and be able to demonstrate the following:

Standard	Examples of Necessary Behaviors (not all-inclusive)
Critical thinking ability sufficient for clinical judgment.	Identify cause and effect relationship in actual or simulated clinical situations; analyze data; develop or participate in the development of nursing care plans.
Interpersonal abilities sufficient to interact with individuals, families, and groups from a variety of social, emotional, cultural and intellectual backgrounds.	Establish rapport with clients/clients, families and colleagues.
Communication abilities sufficient for interaction with others in verbal and written form.	Collect assessment data; explain treatment procedures, initiate health-teaching, document and interpret nursing actions and client/client and family responses.
Physical abilities sufficient to move from room to room and maneuver in small spaces.	Moves around in client/client's rooms, workspaces and treatment areas; administer cardio-pulmonary procedures.
Gross and fine motor abilities sufficient to provide safe and effective nursing care.	Move, calibrate, use equipment and supplies; lift, transfer, and position mobile and immobile clients/clients.
Auditory ability sufficient to assess and monitor health needs.	Hears monitor alarm, emergency signals, auscultatory sounds, cries for help
Visual ability sufficient for physical assessment, performance of nursing procedures and maintenance of environmental safety.	Observe client/client responses such as skin color, facial expression, specimen color.
Tactile ability sufficient for physical assessment and performance of nursing procedures.	Perform palpation functions of physical examination and/or those related to therapeutic intervention (e.g. insertion of a catheter).
Emotional stability and mental alertness in performing nursing care.	Maintain a calm and efficient manner in high stress situations with clients/client's families, and colleagues.

WAYNE COMMUNITY COLLEGE COMMUNICABLE DISEASE POLICY OF STUDENTS

Wayne Community College is committed to assuring that all necessary training and precautions are taken with regard to communicable diseases. The Biohazard Exposure Control Plan and the Pandemic Preparedness Plan of Wayne Community College reflect our efforts to ensure the good health and safety of all employees and students. The College adopts this communicable disease policy for students in an effort to control communicable diseases and the threat of pandemics on campus based upon established rules and regulations of the N.C. Division of Health Services. Employees and employees of contractors or contracted services infected with a communicable disease have the responsibility of reporting this fact to the Director of Human Resources. Students infected with a communicable disease have the responsibility of reporting this fact to the Associate Vice President of Academic and Student Services or the Vice President of Continuing Education, as appropriate.

Communicable Disease shall include, but is not limited to: Chickenpox, Infectious Mononucleosis, Conjunctivitis, Hepatitis A, B & D, Acquired Immune Deficiency Syndrome (AIDS), Aids-related complex (ARC), positive HIV antibody status, Influenza, Measles, Meningitis, Tuberculosis, Whooping Cough, and sexually transmitted diseases.(N.C.G.S. 130A)

Persons who are infected with a communicable disease are expected to seek expert medical advice and are encouraged to advise local health authorities. Local health authorities should offer counseling to these persons about measures that can be taken to prevent the spread of infection and to protect their own health.

Persons who know, or have a reasonable basis for believing, that they are infected with a communicable disease have an ethical and legal obligation to behave in accordance with such knowledge to protect themselves and others. Medical information relating to the communicable disease of a student or employee will be disclosed to responsible college officials only on a strictly limited need-to-know basis. No person, group, agency, insurer, employer, or institution should be provided any medical information without the prior specific written consent of a student unless required by state and/or federal law. Furthermore, all medical information relating to the communicable diseases of students and employees will be kept confidential, according to state and federal law, including the Family Education Rights and Privacy Act.

If a student reports a communicable disease condition, the student may be excluded from the institution until an appropriate evaluation of the student's medical condition can be made. The evaluation may be made by a physician or a health department official and testing may be required if appropriate. Students in any Allied Health program may have additional requirements, as specified in each program's student handbook; therefore, these students should report all suspected communicable diseases.

The final determination of student's ability to remain in school will be made by the Vice President or Associate Vice President based upon professional medical evaluation results and recommendations. If a student is found to have a communicable disease, then the attendance of the student on campus or at any College activity will be prohibited until a satisfactory letter or certificate is obtained from one or more licensed physicians or public health officials stating that the student is not a health risk to employees and other students at the College.

The College's Biohazard Control Plan defines guidelines that will be followed in the event of an accidental exposure to bodily fluids or biohazards. Any such exposure should be reported immediately to the responsible faculty or staff person associated with the WCC activity involving such exposure and to the Student Activities Coordinator and an incident report must be completed.
