Total Credit Hours		13		Total Credit Hours	15

THIS SHEET IS FOR ADVISING PURPOSES ONLY. Students should work with their Advisor to determine the best course selection which will result in the greatest number of transferable credits to a four year institution of their choice. By the second year students should have an idea where they are transferring and therefore should select General Education and Elective courses based off what the four-year institution requires.

Note outline is based upon no prerequisite classes required
