Your 2020-2021 FAFSA was selected for review in a process known as **verification**. Federal law states that the Financial Aid Office has the right to confirm the information that was submitted before offering and/or disbursing federal student aid. We will compare the information reported on the FAFSA for you and your parent(s) with the information provided on this worksheet and any required documentation. **PLEASE NOTE – Your eligibility for financial aid cannot be determined until the verification process is complete.**

INSTRUCTIONS: You, and a parent** whose information was included on the FAFSA, should complete this worksheet using blue or black ink, attach any required documentation, sign, and submit the completed package to the WCC Financial Aid Office.

****Grandparents, foster parents, legal guardians, widowed stepparents, aunts, uncles, and siblings** are not considered parents on this form unless they have legally adopted you. If your legal parents are married to each other, OR are **not married to each other AND live together**, answer the questions for each of them. If your parent was divorced/widowed and then remarried, you are required to include information for your stepparent. If there are any discrepancies between the information reported on the FAFSA and the documents submitted to our office, **your signature on this form authorizes our office to make the appropriate corrections to your FAFSA.**

Additional information may be needed to complete your file. If you have any questions about the verification process, please contact the Financial Aid Office as soon as possible to avoid a delay in processing your request for financial aid.

IMPORTANT: If your parent(s) were **MARRIED** or **REMARIED** on the day you submitted the FAFSA, you must answer all tax and income questions for both parents and/or stepparent.

The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of the online FAFSA at studentaid.gov. In most cases, no further documentation is needed to verify 2018 income information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed.
