Your 2022-2023 FAFSA was selected for review in a process known as **verification**. Federal law states that the Financial Aid & Veterans Services office has the right to confirm the information that was reported before offering and/or disbursing federal student aid. We will compare the information provided on the FAFSA for you and your spouse (*if married*) with the information contained in this worksheet and any required documentation. **PLEASE NOTE – Your eligibility for financial aid cannot be determined until the verification process is complete.**

INSTRUCTIONS: Complete this worksheet using blue or black ink, attach any required documentation, sign, and submit the completed package to WCC Financial Aid & Veterans Services.

****If you were married on the day you submitted your FAFSA, remember to include information for your spouse. If there are any inconsistencies between the information reported on the FAFSA and the documents submitted to our office, your signature on this form authorizes our office to make the appropriate corrections to your FAFSA.**

Additional information may be needed to complete your file. If you have any questions about the verification process, please contact the Financial Aid & Veterans Services office as soon as possible to avoid a delay in processing your request for financial aid.
