The untaxed portion of an IRA, pension, or annuity distribution must be included as untaxed income on the FAFSA unless it was rolled over to another retirement account. A "rollover" is a tax-free distribution of cash or other assets transferred from one retirement plan to another.

Your 2023-2024 FAFSA shows that your parent(s) reported a rollover of an IRA, pension, or annuity for the 2021 tax year. The Financial Aid & Veterans Services office requires verification of this information.

PLEASE NOTE – Your eligibility for financial aid can be established only when the verification process is complete.

INSTRUCTIONS: A parent whose information is provided on your FAFSA should complete the statement below using blue or black ink, sign, and return this form to the WCC Financial Aid & Veterans Services office. If your parent is unsure if there was a rollover, they should contact a tax preparer or financial advisor.
