BOOTS TO BUSINESS

FOR US MILITARY ACTIVE DUTY, VETERANS AND DEPENDENTS ONLY

Veterans and military personnel returning from active duty are wonderfully over-represented in entrepreneurship. One in seven veterans is either self-employed or already a small business owner. Roughly one quarter of transitioning service members are interested in starting or buying their own business. One of our most important roles is supporting those men and women who have returned home from active duty and are looking to start a small business. We offer a variety of programs and services specifically designed to do just that.

*****THIS SEMINAR IS OPEN ONLY TO ACTIVE DUTY, THEIR DEPENDENTS AND VETERANS OF THE US MILITARY.*****

You'll learn:

- How COVID is affecting owners, managers, employees and customers
- How to face changes, remain positive, and develop resiliency skills
- OODA LOOPS: Or, how a fighter pilot created a great core of a management plan
- How to better manage remote employees
- When it is time to be "The Boss"

"The New Normal for Small Businesses" offers a wide range of practical information for managing your business during and after the pandemic. The tools and behaviors aren't hard, they are simply challenging.
